People say I'm acting kinda strange my friends all tell
me how I've changed
I'm laughing and dancing singing happy songs just
joking and carrying on
They say they see a change in me I'm not the guy I
used to be
I carry a smile cause I'm not sad and lonely
I got someone who cares and she's calling me her
honey
She's sweet she's kind and she's mine love comes
from her eyes all the time
Her lips are as sweet as the cool red wine she's sweet
and she's kind and she's mine
[steel]
My world is turning again loneliness is just a plave I've
been
I've got a little lady who's soft as a baby
And we're so much in love it drives me half crazy
She's sweet she's kind and she's mine...
She's sweet and she's kind and she's mine
