I won't admit it, but I missed you today, yay  
It's four thirty in the morning, and I'm awake hey-yay  
Now since you been gone, can do what I please  
Can see who I want, can choose where we eat  
My heart is breaking even more with every smile I fake  
So I ask you

Is it so hard to love me?  
From the way you're acting now it must be  
But I'm still the same  
I haven't changed  
I can't face losing you now  
It's never been like this trust me  
I was happy I was fine, it was just me  
Now it ain't the same, put me in the frame  
I can't face losing you now

I told you I'm OK, don't ask me I don't need your help  
Give me an Oscar 'cause I'm almost about to fool  
myself  
I've fallen in love, with somebody new  
I tell you today I just wish it were true  
I can't move on, Cause nothing feels as comfortable as  
how we felt  
So I ask you

Is it so hard to love me?  
From the way you're acting now it must be  
But I'm still the same  
I haven't changed  
I can't face losing you now  
It's never been like this trust me  
I was happy I was fine, it was just me  
Now it ain't the same, put me in the frame  
I can't face losing you now

So here I am, I feel a fool  
I'm mothering myself to you  
A stupid girl, so insecure  
Not how to please, it's easy to  
What's wrong with me, I'm so pathetic

Can it be that I'm losing my head  
Wish that I could forget but I can't

Is it so hard to love me?  
From the way you're acting now it must be  
But I'm still the same  
I haven't changed  
I can't face losing you now (can't face losing you now)  
It's never been like this trust me (oh)  
I was happy I was fine, it was just me  
Now it ain't the same, put me in the frame  
I can't face losing you now

I won't admit it, but I missed you today
