You came over last night
And something good had changed
The dark clouds in your head
To rain on my parade
You say, you say,
Mabye It's time to move on
But I Know, I know
I wanna stay forever this way, every day
This where I belong.

Don't wake me
If I am sleeping
Let me keep dreaming
Tell me you wont
Take me
Outta this place called love
Don't wake me up
I wanna stay here
Spend every day here, by your side
Baby, there's nowhere that I'd rather be
Don't wake me

If being wide awake
Means giving up my dreams
Then leave me here asleep,
Where I know what love me
You see, you see
Everything that could go wrong.
But I know, I know,
I wanna stay happy this way, gotta stay,
This is where you belong.

Don't wake me
If I am sleeping
Let me keep dreaming
Tell me you wont
Take me
Outta this place called love
Don't wake me up
I wanna stay here
Spend every day here, by your side

Baby, there's nowhere that I'd rather be
Don't wake me

I am fine here, safe under the covers
Don't break this spell, the spell that I am under
Don't make me, have to go and find another lover
Don't break us up
Don't break me up.

I wanna stay here, spend every day here.
This is where I belong

Don't wake me
If I am sleeping
Let me keep dreaming
Tell me you wont
Take me
Outta this place called love
Don't wake me up
I wanna stay here
Spend every day here, by your side
Baby, there's nowhere that I'd rather be
Don't wake me

Don't wake me, don't Wake Me.
Don't wake me up, by your side.
Don't wake me.
