We just to laugh at nothing at all  
Just to talk for hours  
As summer turned to fall  
We're still here  
But our mind's out somewhere else

Time to go separate ways  
We can hear the towing of the bells

I wish that I could feel it again  
But there's nothing there  
I wish that I could feel it again  
It's the end of  
End of an affair

We were invincible my best friend and I  
My companion till the day we die  
There's no such thing  
Now we make each other laughs

There's nothing left to say  
Nothing left to confess

I wish that I could feel it again  
But there's nothing there  
I wish that I could feel it again  
It's the end of  
End of an affair

Lets leave it here  
Lets go separate ways  
Let the memories be the best of our days

I miss you  
The way we used to be

I wish that I could feel it again  
But there's nothing there  
I wish that I could feel it again  
It's the end of  
End of an affair

But there's nothing there

I wish that I could feel it again

It's the end of

End of an affair
