Monday morning runs to sunday night screaming  
Slow me down before the new year dies  
It won't take much to kill a loving smile  
And every mother with a baby crying in her arms

Give me help, give me strength  
Give us all a night of fearless sleep  
Give me love, give me peace  
Don't you know these days you pay for everything

Got high hopes  
Got high hopes

Coming form the city's, coming from the wild  
I see all break fast army breaking like a cloud  
It's gonna smother love, it's gonna shoot our hope  
Before the making harried lunt to hate themselves

Give me help, give me strength  
Give us all a night of fearless sleep  
Give me love, give me peace  
Don't you know these days you pay for everything

Got high hopes  
Got high hopes  
Got high hopes  
Got high hopes

So tell me someone, now what's the price  
I want to, buy some time and maybe live my life  
I wanna do things right, I wanna, have some kids  
I wanna look in their eyes and know they're gonna  
stand a chance

Give me help, give me strength  
Give us all a night of fearless sleep  
Give me love, give me peace  
Don't you know these days you pay for everything

Got high hopes  
Got high hopes

Got high hopes  
Got high hopes  
Got high hopes  
Got high hopes
