It's a quarter to nine baby come back to bed  
Take of those clothes and rest your pretty head  
I wispher you secrets something I never said  
It's just a perfect day to spend a lazy day in bed

Let the world rush on by let the tram hollar scream  
Come back here baby it's just a bad dream  
This ain't no working day it's all in your head  
Take of your clothes let's spend a lazy day in bed

Ah, ah, ah

Cause  
There's no hurry put the world on hold  
Forget all your worries today baby  
Don't care about tomorrow come what may  
Don't care what others might say  
Cause it's time off let's make it a perfect day

Get down

Such a beautiful day curtains dance in the wind  
Curl up next to me lets sleep in  
Your already late so baby what do you say  
Get rid of those clothes lets spend a lazy day in bed

Get rid of those clothes lets spend a lazy day in bed
