It seemed perfect first, we could make it work  
Then I guess, in time you need  
More than chemistry to make it for real

I took my chanced the circumstances  
Were complicated, we made it, we got it right  
And now it feels like, we're gonna get by

You're my twist of faith  
Still I can't complain  
Cause you bring the sweetness to the slightly bitter  
taste  
Every sacrifice  
Was for you And I  
Cause you bring the sweetness to the slightly bitter  
taste  
Slightly bitter taste  
Slightly bitter taste

Something made our love, incomparable  
'Till what we, both had before  
Guess it was so much more  
The kind you fight for

And it was worth it, I know we can't quit  
It's complicated, we made it, we got it right  
And now it feels like, we're gonna get by

You're my twist of faith  
Still I can't complain  
Cause you bring the sweetness to the slightly bitter  
taste  
Every sacrifice  
Was for you And I  
Cause you bring the sweetness to the slightly bitter  
taste  
Slightly bitter taste  
Slightly bitter taste

I know now that it would be a mistake  
f i let it slip, if i let it break

I know that you know, that my love is your love  
and my love, is your love

You're my twist of faith  
Still I can't complain  
Cause you bring the sweetness to the slightly bitter  
taste  
Every sacrifice  
Was for you And I  
Cause you bring the sweetness to the slightly bitter  
taste  
Slightly bitter taste  
Slightly bitter taste  
Slightly bitter taste
