I guess you're my kryptonite
The way you knock me off my feet
Now i can't tell my left from right
You only see me when I'm weak

I can't believe the things I hear me say
And I don't even recognize myself
why can't I get out of my own way
It don't make any sense but what the hell

It's so confusing, what am I doing?
I'm not really like this, think I'm gonna lose it
Not making excuses, but baby the truth is
you make me stupid, stupid, stupid

Your love makes a mess of me, but what a perfect
mess we are
Some day you'll feed the rest of me, not just my crazy
heart

I can't believe the things I hear me say
And I don't even recognize myself
I just can't get out of my own way
It don't make any sense, but what the hell

It's so confusing, what am I doing?
I'm not really like this, think I'm gonna lose it
Not making excuses, but baby the truth is
you make me stupid, stupid, stupid

If I haven't scared you off by now, with all the foolish
things I do
Mabye you are feeling stupid too
It's so confusing

It's so confusing, what am I doing?
I'm not really like this, think I'm gonna lose it
Not making excuses, but baby the truth is
you make me stupid, stupid, stupid

It's so confusing, what am I doing?

I'm not really like this, think I'm gonna lose it
Not making excuses, but baby the truth is
you make me stupid, stupid, stupid
