Sunrise
Eyes wide open still
Goosebumps from the morning chill
On your skin
So I tuck you in
You are
A still a sleeping
Sweet
And we are
Painted by my tears
Let's lie until
Time stands still

And life is a song about you
And finally I'm singing it to
I wanted bliss
And here it is

We wake up
The days just turning red
We tune up
We do what out of bed
This song unsung
Has just begun

Cause life is a song about you
And finally I'm singing it to
I wanted bliss
And here it is

Maybe I'm crazy
But it's felt
Like baby
You saved me from myself
Amazing fate
Amazing graze

Cause life is a song about you
And finally I'm singing it to

Cause life is a song about you

And finally I'm singing it to

It's a song of bliss
And it goes like this

It's a song of bliss
And it goes like this
