We just to laugh at nothing at all
Just to talk for hours
As summer turned to fall
We're still here
But our mind's out somewhere else

Time to go separate ways
We can hear the towing of the bells

I wish that I could feel it again
But there's nothing there
I wish that I could feel it again
It's the end of
End of an affair

We were invincible my best friend and I
My companion till the day we die
There's no such thing
Now we make each other laughs

There's nothing left to say
Nothing left to confess

I wish that I could feel it again
But there's nothing there
I wish that I could feel it again
It's the end of
End of an affair

Lets leave it here
Lets go separate ways
Let the memories be the best of our days

I miss you
The way we used to be

I wish that I could feel it again
But there's nothing there
I wish that I could feel it again
It's the end of
End of an affair

But there's nothing there

I wish that I could feel it again

It's the end of

End of an affair
