Dear Felicia, I've wanted to meet 'ya for years now  
I know 'ya been round  
I see you've grown,  
I would not have known that you would get your  
mothers eyes  
Just as strong and kind unless I'd seen 'ya, Felicia

It's been too long, since I've been gone  
Remember me, still friends aren't we  
Got so much to tell you  
But I can't get though that's why I'm writing you this  
song  
Hoping that you see why I can't be with 'ya, Felicia

I want you to know  
I never wanted to go  
I never wanted to leave 'ya  
Felicia, I'm sad I let you down

Once you grow enough  
When you know enough about the grown love  
you might condone us  
But I can safely assume that you hate me  
And I know that I can't expect you understand  
How I miss 'ya, Felicia

I want you to know  
I never wanted to go  
I never wanted to leave 'ya  
Felicia, I never wanted to leave 'ya  
Felicia

I know you know that love's a painful game to play  
But still it's worth it's just the same  
I know you wanna blame your pain on our mistakes  
But there's so much love, just gotta trust love  
That'll make it easier, Felicia

I just want you to know  
I never wanted to go  
I just want you to know

I never wanted to go  
I never wanted to leave 'ya, Felicia  
I never wanted to leave 'ya, Felicia  
I'm sad I let you down
