They're writing songs of everything, but no one writes
for me
It's a tragedy
How my true loves is made of dreams, romantic made-
up scenes
Oh it's ment to be
So I write a lot of poems, I save them in a drawer
Is there anything in life that you would die for

Write me a lovesong, sing me a lullaby
I've waited for so long, don't you think it's time
Write me a lovesong, sing me a lullaby
I will fall so easy, atleast for a while

I don't mind smiling friends to say you're wrong in
every way
Such a long lost case
That love is wasted on the ones, who settles for a
hunch
It's just make believe
But I'd like the strings to play, a hummingbird should
sing
And to really get me off I need this one thing

Write me a lovesong, sing me a lullaby
I've waited for so long, don't you think it's time
Write me a lovesong, sing me a lullaby
I will fall so easy, atleast for a while

So I write a lot of poems, I save them in a drawer
Is there anything in life that you would die for

Write me a lovesong, sing me a lullaby
I've waited for so long, don't you think it's time
Write me a lovesong, sing me a lullaby
I will fall so easy

Write me a lovesong, sing me a lullaby
I've waited for so long, don't you think it's time
Write me a lovesong, sing me a lullaby
I would fall so easy, atleast for a while
