VS Oh; where you gonna go  
Before you blow  
If you let your trouble turn this place to rubble  
Angry man when you hit the sky whats your reason  
Oh what you do is really up to you  
But you need love just like I do  
C'mon now  
Anytime you feel rejected just pretend your still in the  
collective  
Join the fun doesn't hurt no one  
You can get some free cause it costs no money now  
sonny  
If you're an angry man  
Angry man

You fight the world to keep control  
Angry Man you just don't know  
A little fun changes everything  
Just look and see the kaleidoscope spin  
There's no room for good religion  
In the streets with your trigger finger twitching  
If you're an angry man  
Angry Man watch what you do  
Don't you do  
Say na na na na na na na na na na na na na na na na  
Angry Man  
Say na na na na na na na na na na na na na na na na  
Angry Man  
Some one else's preaching voices  
Don't be fooled make your own choices  
Don't twist your faith  
Na na na!  
A little message to thee  
PHONE CALL  
Hello calling for the angry man..angry man  
Don't you wonder  
Is this the best you can be come sing a song with me  
Is this the best you can see yourself be  
Say it now  
Is this the best I can be! just express yourself  
with love  
Is this the best I can see myself be now angry man

Say na na na na na na na na na  
Angry Man
