Creeping like roots of a clinging vine forest
As we all assault the trees and delight in kicking leaves
around
The den was there where the bear survived the winter
The new digger dozers breaking ground gotta take em
down
Concrete face and the barbaq̃̂̂̂™ s burning in the
hood
No place for a baby fawn

Deer oh deer what have you here
Urban sprawl has left you nothing
Little brown deer yoũ̂̂̂™ d better run
In this populous place your day is done
You better run Oh your day is done run and hide

Living like hermits in a clone zone neighbourhood
Cañ̂̂̂™ t keep chickens but wẽ̂̂̂™ re cooped
the way we are
No one gathers at the edge of town picking fruit
picking bud
Cause there aiñ̂̂̂™ t no bud provide
Not allowed a clothes line cañ̂̂̂™ t make no noise
In the bondo condo developmental kife
Is this life whỹ̂̂̂™ s the crowd want more

Deer oh deer what have you here
Urban sprawl has left you nothing
Deer oh deer yoũ̂̂̂™ d better run
Your day is done Wẽ̂̂̂™ re sorry to say
Your day is done every deer has his day
Your day is donẽ̂̂̂!̃̂̂̂! Oh Your day is done
Little brown deer if we look from your point of view
Deer oh deer the woods lay bare
Houses line a trail to no where
Human intervention oh deer oh deer
Your day is done Your day is done every deer has his
day
And your day is done Oh Your day is done
Oh brown eyes I sympathize I sympathize deer oh deer
oh deer oh
