La la la la its a labour of love
 La la la la.....
 She's something sweet a little petit
 She sails so sweet you forget all about those gas boats
 Lifeboat tugging on a rope behind, winch drum shining
 like a brand new dime
 The spinnaker up I feel her starting to glide
 Oh yeh my labour of love
 She's showing off her stuff
 And though she isn't much labour
 she's my labour of love over the waves
 Ooh what's my labour of love
 My little Cheoy Lee my labour of love
 Doo doo Doo doo
 Doo doo Doo doo She's all sweet teak
 La la la la what's my labour of love tonight
 ...of love
 la la la la it's my labour of love

When we get to the other side Sweet Petite she reflects
 my pride
 She's my little wing dingy dubbed lifeboat
 Oh got to have a life boat
 Oh yeh my labour of love night time you I find
 us
 We drop our anchor in the sea of love
 the sea of love

Ooh what's my labour of love
 My little Cheoy Lee my labour of love
 She's my labour of love she's my
 labour of love
 Ooh I gotta lay back
 La la la la my labour of love we're sailing
 A la la la la that's fine I guess

Yo ho its all I want to know I'm sailing
 La la la la catch a little wind today
 La la la la it's a labour of love
 It's the rigging I'm digging
 La la la la it's a labour of love
 It's all I want to know it's all I want to

know

La la la la its a labour of love

La la la la its a labour of love

It's all I want to know it's all I want to

know

La la la la it's a labour of

love
