Moon baby little moon chile
She I be arriving with a perfect smile
Coming by night she won t get lost
I got my solar sidewalk lights

Flight checks in and I m in a countdown
Putting dirty laundry away
I got money to burn and a powerful yearning
I want to get down to her dirty wicked ways

Take you to the moon on my rocket girl
Take you to the moon on my rocket ride
To a blue moon yellow moon any moon little chile

Well moon baby take the wheel
Lets do a little trans lunar injection
Moon chile

A pretty round face that shines like the moon little
moon chile
Well come and dance with me
Come and dance with me in no gravity
Ooh hoo hoo we re in orbit

Moon baby little moon chile
Take me on a trip around the world
Push all the buttons
Whatever don t go we ll try em again in

Little moon chile

Take me to the moon like a rocket go
Take me to the moon like a rocket fly
Take me to the moon like a rocket go

Take me to the moon like a rocket fly
