Over The Ocean Tones/A.J.Lester  
whistle intro  
Anchor a weigh set sail again  
Drifting out of site from people  
Finger to the wind  
Sea bird hovering  
One new friend  
On his wings  
Together in our fair weather

Over the ocean sea of blue  
Over the ocean blue

After today  
Come what tomorrow  
Hope she doesn't leak or capsize  
Rolling with the waves  
Counting the sunny days  
What does a sailor do  
Every night the moon is blue  
Steady on dead reckoning

Anchor a weigh set sail again  
Drifting out of site of people  
Finger to the wind  
Sea bird hovering  
One new friend on his wings  
Together in our reckoning

Over the ocean sea of blue  
That's where my boat goes too  
Over the ocean  
Hope we have a pleasant voyage  
Over the ocean sea of blue  
Over the ocean blue  
Over the ocean
