Visit "[Party Time](#)" on MotoLyrics.com

I got my house and my car and my thing a ma jig
I need some party time to get myself straight
I got my house and my car and my thing a ma jig
I need some party time to get myself straight
I got my house and my car and my thing a ma jig
I need some party time to get myself straight
I need some party time
I need some party time some party time
A vacation a holiday in the sun
I rest myself on my cotton towel beneath the palms
party time
I need some party time some party time
Mort gage sounds like a dead guy
Coming round twice a month
Got his fingers in my pie
I got my house and my car and my mortgage thing
I need some party time to get myself straight
I need more money more money more money
I need my party time
To set myself straight
A vacation holiday in the sun
Sweet babes the island look
I could think till the bubble breaks
party time
I need some party time some party time

I need more money more money more money
A vacation holiday in the sun
party time
I need some party time some party time
A vacation holiday in the sun
party time
I need some party time some party time
A vacation holiday in the sun
party time
I need some party time some party time
A vacation holiday in the sun
party time
I need some party time some party time

I got my house and my car and my thing a majig
I need some party time to get myself straight

party time
I need some party time some party time
Don't try to squeeze me
I want to dance and sing and play in the sand
Don't try to squeeze my party time
