Sand and sun by the sea  
An un suspecting same calm sunny day  
Walk around  
The edge of town was just a market place any other  
Sunday

Tsunami oh no  
No one watching every wave  
Sand and sun Tsunami oh no  
YouÃ¢â€Œ™ ve seen one wave youÃ¢â€Œ™ ve seen  
them all  
Was no one watching

A child is lost from his mum  
When the sea comes a shore  
A sister canÃ¢â€Œ™ t find her bro  
Water coming in the door  
WaterÃ¢â€Œ™ s coming through the door

Sand and sun by the sea  
Unexpected came the wave  
Tsunami  
Was no one watching every wave  
Oh without warning  
Tsunami oh no why  
Watching every wave  
Watching every wave
