Yeh yeh yeh I know what you like
Yeh yeh yeh riding your bike
Yeah yeh yeh I follow you too
Yeah yeh yeh I'm riding with you
Oh I think she's sweet
Oh she's got quick feet
Yeah yeh yeh It's a beautiful day
Yeah yeh yeh She'll skip the red rocket and bike
her way
She sure gets around on her bicycle
Picking up stuff and putting in the basket
Picking up something for me
Na na na I don't need that much to survive
Just you baby, you baby uh huh
Hey baby and tools for my living

Yeah yeh yeh I know what you like
Yeah yeh yeh riding your bike
Yeah yeh yeh I follow you too
Yeah yeh yeh I'm riding with you
I can fix the brakes I can fix the tires too
Tune the spokes and rims so the wheels are nice and
true
Baby rides faster than the traffic in town
Smiling while she's riding on the coolest bike
around
She sings yeh yeh yeh
Yeh Yeh Yeh
Feel my smile just stretch like elastic
Oh babe I feel so happy with you ah huh
Na na na I don't need that much to survive
Just you baby, you baby uh huh
And now I know I'm living
Oh I think she's sweet
Oh she's got nice feet
Yeah yeh yeh It's a beautiful day
Yeah yeh yeh Oh she likes to bike away
She sure gets around on a bicycle
You get there better on a bicycletta
Than a pair of feet walking down the street
On a bicycle
Yeah yeh yeh I know what you like

Yeah yeh yeh riding your bike
Yeah yeh yeh I follow you too
Yeah yeh yeh IÃ¢Ä™ m riding with you
