Verse 1

Hey DJ let it play all day

Turn it up really loud keep the faith no doubt

Don't you worry don't you fret

There's a blessing you're next

He's faithful don't forget it

40 spins now just check it

Lean

Trials they just a keep a pressin' me

Dancin' although the world is stressin' me

me

I'll keep movin' on won't let it

get me down

People they always try to front on me

I refuse to let it get the best of me

DJ play my song we gone rock it all night long

Chorus

I'm not worried about a thang

He's gone handle everything

I'm not worried about a thang

He's gone handle it take care of it

I ain't worried about a thang

Verse 2

Time to get paid got it made in the shade

Tonex representin' all day

BET, MTV in heavy rotation

Every station got it blazin' it's ok now

Just praise Him in advance

Lean
