### Verse 1

Gettin' tired of the city  
Headin' out to the country  
Ain't nobody gonna stop me  
Gotta get the hogs slopped and fed  
Mama's gonna fix some pancakes  
Jesus takes away the heartache  
Time to lay aside the world's weight  
Won't you let him inside your life today  
Lean  
Doesn't matter what you done before  
He doesn't care about your past He wants to give you  
more  
All He wants is a chance to make it better  
If your soul is dry inside He'll make it wetter  
Now it's summer time there's no more snow outside  
Frosty's melted all away the sun is shining bright  
For everyone to feel the heat time to move your feet  
Jesus Christ is here to set your soul free

### Chorus

I'm dancin' in the Son there's room for everyone  
The fun has just begun when you're dancin' in the Son  
My Daddy, Ghost and Son all three of these make one  
Your sins are forgiven when you're dancin' in the Son

### Verse 2

Everybody just a dancin'  
The Holy stone I be romancin'  
Lord You got my homies trippin'  
This fried chicken's finger lickin'  
Yo, Gibraan pass the biscuits  
We're near the rapture don't you miss it  
You gotta problem God can fix it  
Taste and see He's so delicious  
Rap
