Verse 1

Is for you and me
We be directed all night
I thought it cool be cool
For us
At midnight
We got all night
You be think it cool
Before I give it to you
At midnight (think about it) ok

Chorus

We got all night (before the sun rise)
Say over, say over
Until I get you at midnight
Cause show there more to me
At midnight x7

Pre chorus

Is for you amd me
We be directed all night
I thought it be cool (think that way)
For us
At midnight
We got all night (which I want to work on you) sweet
darling
Before I give it to you
At midnight think about it
(Think about it) ok ok baby
You won't be disappoint
Promise you won't

We got all night until midnight
Say over, say over
Until I get you at midnight (you think about it)
We got all night
Until midnight

Verse 3

We be cool
Under the sheet

You want think
What about I given you
You in your mind
I thought it be cool for us to be like this

Bridge

I got think the way to get you bed
Before the clock stirke 12
Oon baby
You feel so good inside of me
How your magic on me
(So excited)
Never thought
I feel this way babout you
At midnight
You got me
At midnight (who baby I'm shaking)
Your love got me
At midnight (you the best)
Who said you couldn't do it
You got me
I thought about you
At midnight
Something you want to drink daddy

Chorus

We got all night until midnight
Say over, say over
Until I get you at midnight
Cause show there more to me
At midnight x7
