[Verse 1]

One glance into the past, can you guess what I'm
thinking?
I've got a bad girl here bout to become really naughty
for you.
You'll like the way that she follows commands, all you
need do is say it.
Just say my name and I'll do anything that you want me
to do.

[Bridge]

Baby every hour (I feel your touch)
I feel it (Way too much)
I want you inside
When you starting (Then you start)
Then you (Fill me up)
Quench my desire

[Chorus]

My body's like tick, tock, tick
It's calling you like clockwork
but you want it regular.
So I'm like tick, tock, tick You know that I'm an addict
That's why we go at it.
.....like tick, tock, tick
It's calling you like clockwork, but you want it regular.
So I'm like tick, tock, tick
Never fails, never fails
It's like...

Now that I've lost control
it's an incredible feeling.
I can't believe all the things that you do, when you
calling my name.
It's like you walked through the deepest part of my
imagination.
I'm like a different girl than I was with the things that
you say.

Bridge
Chorus

Can you hear the rain coming down
When you say my name
Close your eyes can you hear the sound
Baby can you hear it
