Come on over here baby  
My my, hey hey hey hey hey yeah  
Whoa, oh yeah  
I want you come now

Where do you go when you need good lovin'?  
And how will you know if a love is very hard to find?  
How do you say, that you need it everyday?  
Well if you look my way, you won't be wastin' time

Just come on over here  
And I will take care  
Of your every need  
'Cause I've got love to give to you  
Just come on over here  
And don't you worry dear  
'Cause I've got more  
I've got more than you know what to do with

What do you do when you're not satisfied?  
And when you've done all that you can you know you  
tried, oh yeah?  
And how do you say that you need to get away?  
Don't make it so hard when I'm there for you you

Just come on over here  
And I will take care  
Of your every need  
'Cause I've got love to give to you  
Just come on over here  
And don't you worry dear  
'Cause I've got more  
I've got more than you know what to do with

Boy I know that you've been through so much  
Don't you think it's time to give it up?  
You deserve love the way I do  
And how I see it it's you for me and me for you, uh  
Ho oh whoa whoa yeah

Just come on over here  
And I will take care

Of your every need  
'Cause I've got love to give to you  
Just come on over here  
And don't you worry dear  
'Cause I've got more  
I've got more than you know what to do with, oh

Just come on over here  
And I will take care  
Of your every need  
'Cause I've got love to give to you  
Just come on over here  
And don't you worry dear  
'Cause I've got more  
I've got more than you know what to do with, babe

Just come on over here  
I give to you  
Just come on over here  
'Cause I've got more  
I've got more than you know what to do with  
Just come on over here
