[Verse 1]

Hmm Hey-yeah Hey Woo  
I never have o check his phone  
Don't worry bout him when he's gone 'cause  
Even when he's not at home  
He's right where he said he'd be  
I don't go to bed frustrated  
And never will I ever have to fake it  
Cause when he comes aroung I make it  
He always aims to please

[Hook]

He's saying umm-umm-umm  
His sex is so good to me  
He's saying umm-umm-umm  
He ain't perfect, but he does it for me  
And that's how he's made for me  
He comes in just my size  
And everytime I put hime on  
I swear he fits just right

[Chorus]

ooh babe. Umm baby that's how it's s'pose to be. Yeah.  
I prefer him and he's down for me.  
And ain't no other lady gonna sex up my baby, but me.  
Oo, baby that's how it's s'pose to be.

But he want to get it off no problem  
He knows he's callin me  
He ain't bout the games and frontin' no  
Thinking that this may be something  
Can't let him go for nothing  
We goin make history

[Hook]

He's saying umm-umm-umm  
His sex is so good to me  
He's saying umm-umm-umm  
He ain't perfect, but he does it for me  
And that's how he's made for me  
He comes in just my size  
And everytime I put hime on

I swear he fits just right

[Chorus]

ooh babe. Umm baby that's how it's s'pose to be. Yeah.  
I prefer him and he's down for me.  
And ain't no other lady gonna sex up my baby, but me.  
Oo, baby that's how it's s'pose to be.

[Bridge]

And I know sometimes we fight  
You go your way and I'll go mine  
Still it's you I adore . . . I adore  
And I put this on my life  
As long as I'm alive  
Boy it's you I live for  
Oh yeah yeah yeah  
Oh baby. Oo yeah yeah  
That's how it s'pose to be  
That's how it s'pose to be  
Cause I'm his lady and he's my baby yeah  
Can't nobody take my man from me

[Repeat Chorus Fade]
