cause baby you're done!  
don't take your shoes off, shoes off  
don't get comfortable!  
cause what have i done to keep your pants down, pants  
down, pants down  
you keep your pants down, pants down, pants down  
you could get the door now, door now, door now  
cause you got cut with your pants down!

i said even no .. no more  
..all your clothes out of my doors  
..like i'mma forget, but i already been through this  
before!  
baby i've been moving good to you  
where you're living, gimme my key back too!  
you got me.. about to go down  
but your other new ladyâ€¦ pants down

chorus:  
boy, don't take your hat off, hat off, hat off,  
boy ,don't take it off cause babyâ€¦  
don't take your shoes off, shoes off  
don't get comfortable!  
cause â€¦to keep your pants down, pants down, pants  
down  
you keep your pants down, pants down, pants down  
you could get the door now, door now, door now  
cause you got cut with your pants down!

yeah, you could come on here  
but i'mma need you to hurry up and get all your stuff  
everythingâ€¦..  
i took it all form upstairs and put it all down  
but i need you to hurry up  
hold on, hold on girl!  
love, yeah what was you thinking?

i mean really  
i'm not mad  
they say i could have another you in a minute  
as a matter of fact he'll be here in a minute  
i really wanted you, i really did  
but you know what, i got some chicken and spaghetti  
cooking  
and i â€¦ hold on

chorus:

don't take your hat off, hat off, hat off  
don't take your shoes off, shoes off  
you keep your pants down, pants down, pants down  
you keep your pants down, pants down, pants down  
you could get the door now, door now, door now  
cause you got cut with your pants down!
