Who do you think I am?  
Don't you know that he was my man?  
But I chose to let him go  
So why do you act like I still care about him?

Lookin' at me like I'm hurt  
When I'm the one who said I didn't want it to work  
Don't you forget I had him first?

Whatcha' thinking  
Stop blamin' me  
He wasn't man enough for me  
If you don't know now here's your chance  
I've already had your man  
Do you wonder just where he's been  
And I'd be worried about him  
Now it's time you know the truth  
I think he's just the man for you

(chorus)  
What are you thinking  
Do you know about us back then  
Do you know I dumped your husband  
Girlfriend  
I'm not thinking 'bout him  
But you married him  
Do you know I made him leave  
Do you know he begged to stay, with me (with me)  
He wasn't man enough for me

Didn't he tell you the truth  
If not, then why don't you ask him  
And maybe you could be more into him  
Instead of worryin' 'bout me  
And hopefully, you won't find  
All of the reasons why his love didn't count  
And why we couldn't work it out

Whatcha' thinking  
Stop blamin' me  
He wasn't man enough for me  
If you don't know now, here's your chance

See, I've already had your man  
Do you wonder just where he's been  
And I'd be worried about him  
Now it's time you know the truth  
I think he's just the man for you

What are you thinking  
Do you know about us back then  
Do you know I dumped your husband  
Girlfriend  
I'm not thinking 'bout him  
But you married him  
Do you know I made him leave  
Do you know he begged to stay, with me  
He wasn't man enough for me

So many reasons why our love is through (yeah)  
What makes you think he'll be good to you (no)  
It makes no sense  
'Cause he will never change  
Girl you better recognize the game oooohhhh- yeah

What are you thinking (why did he ask me to come back  
oh)  
Do you know about us back then (beggin' me to stay)  
Do you know I dumped your husband  
Girlfriend  
I'm not thinking 'bout him  
But you married him  
Do you know I made him leave  
Do you know he begged to stay, with me  
He wasn't man enough for me
