

Toni Braxton **"Holiday Celebrate"**

Visit "[Holiday Celebrate](#)" on MotoLyrics.com

I'm ready and waiting for you
'cause you said you're on your way
I'm so excited 'cause this is my favorite holiday

Gifts are under the tree,
Dinner for you and me,
How special it could be
'Cause you and I are here...

Made all your favorite treats,
So glad that it will be
You and me on this Christmas holiday...

Holiday, celebrate,
Making out with my babe
Holidays, in the snow,
Kissing under the mistletoe...

I'm thinking about all the things we can do
when I see you tonight
I'm so excited 'cause everybody's here,
Let's dance all night...

We'll be counting down to two,
Crystal for me and you,
That's what we came to do
We came to have some fun

Joy and laughter's in the air,
So glad that we can share
You and me on this Christmas holiday...

Holiday, celebrate,
Making out with my babe
Holiday, in the snow,
Kissing under the mistletoe...
Holiday, celebrate,
Making out with my babe
Holidays, in the snow,
Kissing under the mistletoe...

All of the things I'm gonna do

celebrating with you, baby
All of the things I'm gonna do
when we're alone, ooh, baby...
We're gonna go insane, dance in snowy rain,
Even drink champagne
Baby, I can't wait to be alone and celebrate

Holiday, celebrate,
Making out with my babe
Holiday, in the snow,
Kissing under the mistletoe...

Holiday, celebrate,
Making out with my babe
Holiday, in the snow,
Kissing under the mistletoe...

Holiday, celebrate,
Making out with my babe
Holiday, in the snow,
Kissing under the mistletoe...

Holiday, celebrate,
Making out with my babe
Holiday, in the snow,
Kissing under the mistletoe...

Holiday, celebrate,
Making out with my babe
Holiday, in the snow,
Kissing under the mistletoe...
