Chorus

I keep you for safe keeping
You own baby I want you there
Keep up with me and you
I can see how we met
You so charming
When I first met you boy
I knew I had you you
I said nobody can't get between us what we have
That only for you do
I don't want to do you out repeat x2

Verse 1

I know you had rough day
I want smooth out it for you
By looking you had enough
Do want to something to eat, I'm everything you need
For supper you have anything you , if you feel left out
I 'll be there for lunch and dinner and supper
You could have anything that you want and breakfast
Keep this in mind
I don't want to do you out
I just want to love you chorus x2

I don't want do you out yeah x2

Verse 2

Looking into your eyes
I'll be dreaming about this day
When we touch each other
Baby you got it
Boy we got it
Anytime you want you know we talk about
I can read your mind I know what you thinking
Put me on table anything boy anything boy
It feel I'm out of control when you boy
Got me feel like I feel it myself
You got now
You out of control
I wait on
I don't want to do you out

I don't want to do you out by any chances x2

Pre chorus

I know you had rough by look of you had enough
Do you want something to eat, I'm everything you need
For supper you could have anything that you want
If you feel left out
I'll be there for lunch and dinner and supper and
breakfast
You can anytime you want
No problem babe you want me
You could have anything that you want but keep this in
mind
I don't want to do you out
I just want to love you

Chorus

I keep you for safe keeping
You own baby I want you there
Keep up with me and you
I can see how we met
You so charming
When I first met you boy
I knew I had you
I said nobody can't get between us what we have
That only for you to do
I don't want to do you out repeat x2 chorus out
