Verse 1

I hate the mornings cause I know what they bring
You get up and take a shower and in no time, you're
leaving
It sounds so selfish but I cant help but think if you knew
how much I needed you, you'd stay

Chorus

I hate goodbyes
I hate these tears in my eyes,
I hate myself for the way I feel about you everytime,
I've had enough
I'm sick of wishing you were around me everyday,
everynight
It's way too much
I hate love, I hate love ooooh

Verse 2

I hate your phone calls in the middle of the day,
'Cause all they do is just remind me that my baby is so
far away
It drives me crazy cuz I need you here with me
I know its hard for you to understand it when I say

Chorus

I hate goodbyes
I hate these tears in my eyes
I hate myself for the way I feel about you everytime,
I've had enough
I'm sick of wishing you were around me everyday,
everynight
It's way too much
I hate love, I hate love ooooh

Bridge

I dont want to feel this alone
(cant help it)

Everytime I walk out that door, still missing you
(cant help it)
Wish I didnt need you this much
(cant help it)
I love how it feels when we touch

Chorus

I hate goodbyes
I hate these tears in my eyes
I hate myself for the way I feel about you everytime,
I've had enough
I'm sick of wishing you were around me everyday,
everynight
It's way too much
I hate love, I hate love ooooh

I hate goodbyes
I hate these tears in my eyes
I hate myself for the way I feel about you everytime,
I've had enough
I'm sick of wishing you were around me
everyday, everynight
It's way too much
I hate love, I hate love ooooh
