[Verse 1:]

My fellows say yeah  
You're looking like you're in the mood  
You're surely a sexy dude  
I'm with it, so holla back  
Yeah, I'm feeling you crazy  
And you want it I know you do  
You gots to hollla back  
Yeah, I wanted to get with you  
I saw you across the room looking  
So, holla back  
Yeah, I'm feeling I'm in the mood  
I want to give it to you  
You gots to holla back

[B-Section:]

So sexy baby, ooh!  
You've got me soakin' wet  
Drivin' me crazy  
I want you feelin' on me and feelin' on me

[Chorus:]

Baby let's go  
Let's take it slow  
How low can you go?  
I like it for sure  
Boy let me see  
How good it can be  
How low can you go?  
I like it for sure

[Verse 2:]

My ladies say yeah  
If you feelin' me, follow me  
A boy lookin' good to me  
I gots to holla back  
Yeah, my body is so in shape  
You got to get up on it to feel me so holla back  
Yeah, I need you to make a move  
Tell me what you goin' do I'm with it  
So, holla back  
I need it, I want it now

Come show me how you put it down  
Make me holla back!

[B-Section:]

So sexy baby, ooh!  
You've got me soakin' wet  
Drivin' me crazy  
I want you feelin' on me and feelin' on me, yeah - yeah

[Chorus]

[Bridge:]

Come to me sugar  
So tasty  
Like candy  
When you're lovin' me, yeah

[Chorus: repeat til end]
