Chorus

Yes, I believe in love love in first sight

Yes, I believe x3

Love in first sight

[Verse:1]

It hard to tell you

Hard to tell you

And she there (and she there)

We never ever know

And you won't know the truth

Why I did it

Hard to tell you only one in love with you

It hard to tell you, you the truth

Yes, I was there for you

Yes, I hate when she there with you

When you know you won't the truth x5
