Verse 1

I'm at a loss
Don't know what to say to you
throwing me off
I know what I feel
But I can't tell you I do
See now I know my fights not for myself
My fight for you

Chorus

Everything I never wanted to want
It's you
Everything I never wanted to want it's true
it's you, it's you
it's ture it's you,
it's you, eh

Verse 2

I'll sing this song, three times a day but I can't talk to
you
I know it's wrong
I never meant for me to feel like I do
If this is love then it sucks cause I don't want it
but I do

Repeat Chorus

Bridge:

Oooh, Wipe that smile off your face, not I won't let you
make me feel this way
That's what I wish I could say to you
But I can't cause I need you here with me
yaaah hee
I need you
I love you
It's you
It's you
It's you

Repeat chorus

I want I want I want I want
I want I want I want you baby
I want I want
It's you
It's you
It's true it's you
it's you.
