Uhh, yeah, uhh, yeah, check it  
Didn't I make a good lady  
Didn't I have your baby  
Maybe I should have known you were crazy  
When you was caught playin it shady

Didn't I keep your kids when you were out smokin and  
drinking  
Why did I treat you like my king when you were out  
doing the wrong thing

[Pre-Chorus]  
Tell you what I think about you(you)  
Tired and confused(fused)  
And I will not think to be with you  
Sayin' what you think about me(me)  
Think that I'm crazy(zy)  
Think that I'll end up without you

[Chorus]  
Let me show you the way  
Let me break it down  
Let me show you how  
Im gonna put you out  
Watch me show and prove  
Watch me make my moves  
To get rid of you  
You can pack your thangs  
You can take a swang  
It want be no thang  
To the front door, cause  
I can't take no more  
I can't take no more  
Let me show you the way

(yeah, to the door  
Let me show you the way)  
Didn't I show you this good love  
Didn't I do it just because  
Tell me why you went and did me wrong  
I heard you saying you loved her on the phone  
But I doubted you when, even when you put me through

it  
Why didn't I listen to me girlfriend(girlfriend)  
When they said you were not worth it, no

[Pre-Chorus]

[Chorus]

Uhh, ooh, yeah, haha, ooh

Since you went and broke the rules(ooh)  
This is what I got for you(ooh)  
Take your jacket and your shoes  
You never play me for a fool

[Pre-Chorus]

Tell you what I think about you(you)  
Tired and confused(fused)  
And I will not think to be with you  
Sayin what you think about me(me)  
Think that I'm crazy(zy)  
Think that I'll end up without you

[Chorus (2x)]

Let me show you the way  
Let me break it down  
Let me show you how  
I'm gonna put you out  
Watch me show and prove  
Watch me make my moves  
To get rid of you  
You can pack your thangs  
You can take a swang  
It want be no thang  
To the front door, cause  
I can't take no more  
I can't take no more  
Let me show you the way

Uhh, who's laughin now?  
Wa, wa, wa, [3x]  
Yeah. wa, wa, wa [3x]  
Let me show you the way.
