"No Way"

Will you please let down your wall so
I can finally come on in and see I
Not like all the other girls that
You have been messing with, see I

Wan to give you everything
Will you please except my heart?
I won't let anything, tare this love apart

I said, no way, no how, not me, not now
I'm gonna prove my love is true
Breaking your heart is something I won't do

No way, no how, not me, not now
I'm gonna prove my love is true
Breaking your heart is something I won't do

Will you please let down you walls
'Cause they are way too high to climb
Boy, I know your feet must hurt, baby
'Cause you've been running through my mind

You should let me love you
Baby, I will never let you down
As long as you want me, I will be around

I said, no way, no how, not me, not now
I'm gonna prove my love is true
Breaking your heart is something I won't do

No way, no how, not me, not now
I'm gonna prove my love is true
Breaking your heart is something I won't do

I love you with all of my heart
And as long I'm breathing nothing's gonna tear us
apart
I love you and I need you, nothing's gonna change my
mind
Oh, no way, no way, baby, oh

No way, no how, not me, not now
I'm gonna prove my love is true
Breaking your heart is something I won't do

No way, no how, not me, not now
I'm gonna prove my love is true
Breaking your heart is something I won't do
No way, said no way, I said no way
