I lost you, all for nothin'.  
I let you fly away.  
I left my heart open,  
In case you decided to come back home, home, home.

And now you're here again.  
And it worked out like I dream it.  
Must've heard my prayer.  
And I'll never let you leave here baby, there's not a chance.

[Chorus]  
Not a chance in hell that you'll ever get away again.  
(Not a chance) x4  
And I'll be damned if I let you walk out my life again.  
(Life again) x4  
You're every beat in my heart.  
Don't ever wanna be apart.  
To think I'll ever let you go.  
Ooh, not a chance.  
(Not a chance) x6

I meant it when I told you,  
(No matter what, I love you)  
I watched you walk away.  
I didn't say anything, not a word.  
I could've done everything,  
because of her it hurt, it hurt.
