oooooh boy, where r u now  
came and u rescued me  
when i was down  
now i'm shadowless  
life is such a mess  
where did we go wrong  
impossible to see  
i'm supposed to be  
'cause my light is gone  
ooooh  
gotta make it right with you oooooo  
you baby  
so tell me what i gotta do ooooo  
to make u come back home  
ooooo boy how can this be  
i remember that every step  
u were here with me  
now i'm shadowless  
think i was with blessed  
just to have u by my side yea yea  
but then u went away  
and suddenly the rain  
washed away my sunny skies  
gotta make it right with you oooooo  
you baby  
so tell me what i gotta do ooo yea  
to make u come back home  
gotta make it right with you ooooo babe

you baby yea yea  
so tell me what i gotta do ooooo  
to make u come back home  
'cause i'm running down a street  
tryin to find the answers  
when i'm feeling incomplete  
the truth is what i'm after  
y'd u go  
yea  
y'd u leave  
you took the reflection from me  
gotta make it riiiiight  
so right baby yea yea yea yea

tell me what i gotta do baby yea  
to make u come back home  
gotta make it right with yoooooooo yea yea  
u baaaaby yea  
so tell me what i gotta do oooo doooooo  
to make u come back home  
yea
