There's been so many times  
My heart has been broke in two  
I kept on waiting in line  
'Cause nobody's heart was true

For every time I gave into love  
I was always in the blue  
And just when I was 'bout to give up  
I found myself an angel called you

I've been waiting a lifetime for somebody  
To love me like you do  
Oh yeah (oh yeah)  
I was thinking that I'd always be lonely  
But God came up with someone like you  
Just to think I had made up my mind  
Love was over  
Somebody gave me the love  
That somebody was you

I tell you night after night  
I prayed for someone like you  
But no one ever was right  
They could not compare to you

I wasn't sure if I could endure  
If things just stay the same  
I didn't know if God had in store  
A day without your lovin' my way

HOOK

I've been waiting a lifetime for somebody  
To love me like you do  
Oh yeah (oh yeah)  
I was thinking that I'd always be lonely  
But God came up with someone like you  
Just to think I had made up my mind  
Love was over

Somebody gave me the love  
Somebody gave me the love  
Somebody gave me the love  
That somebody was you

Only you  
That somebody was you  
That somebody was you  
Only you  
That somebody was you  
Only you, only you  
That somebody was you
