I'll always think of you  
Inside of my private thoughts  
I can imagine you  
Touching my private parts  
With just the thought of you  
I can't help but touch my self  
That's why I want you so bad  
Just one night of  
Moonlights, with you there beside me  
All night, doin' it again and again  
You know I want you so bad  
Baby, baby, baby, baby

Ooh I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're makin me high

Can't get my mind off you  
I think I might be obsessed  
The very thought of you  
Makes me want to get undressed  
I wanna be with you  
In spite of that my heart says  
I guess I want you to bad  
All i want is  
Moonlights, with you there inside me  
All night, doin it again and again  
You know i want you so bad  
Baby, baby, baby, baby

Ooh I get so high  
When I'm around you baby  
I can touch the sky  
You make my temperature rise  
You're makin me high  
Baby, baby, baby, baby

I want to feel your heart and soul iside of me  
Let's make a deal you roll, I lick

And we can go flying into ecstasy  
Oh Darlin' you and me  
Light my fire  
Blow my flame  
Take me, take me, take me away
