I'll always think of you
Inside of my private thoughts
I can imagine you
Touching my private parts
With just the thought of you
I can't help but touch myself
That's why I want you so bad
Just one night of

Moonlight, with you there beside me
All night, doin' it again and again
You know I want you so bad
Baby, baby, baby

Ooooh, I get so high
When I'm around you baby
I can touch the sky
You make my temperature rise
You're making me high
Baby, baby, baby, baby

Makin me high (high)
Dats a where mi airplane fly (fly)
Navigator under main thigh
First class service nah
Yah big long john supply

Well, cruz mi a cruz to the entering sign
Over charge driver where di Cobra prescribe
Double up ya pleasure, I am well qualified
Fi give ya pleasurable ride

Can't get my mind off you
I think I might be obsessed
The very thought of you
Makes me want to get undressed
I want to be with you
In spite of what my heart says
I guess I want you too bad
All I want is

Moonlights, with you there inside me
All night, doin it again and again
You know I want you so bad
Baby, baby, baby, baby

Ooooh, I get so high
When I'm around you baby
I can touch the sky
You make my temperature rise, oh boy
You're making me high
Baby, baby, baby, baby

I want to feel your heart and soul inside of me
Let's make a deal, you roll, I lick
And we can go flying into ecstasy
Oh darling you and me
Light my fire
Blow my flame

Take me, take me, take me away

Under di moon light (light) -aca
