I'll always think of you inside of my private thoughts  
I can imagine you touching my private parts  
With just the thought of you, I can't help but touch  
myself  
That's why I want you so bad, just one night of

Moonlight, with you there beside me  
All night, doin' it again and again  
You know I want you so bad  
Baby, baby, baby, baby

Ooh, I get so high when I'm around you, baby  
I can touch the sky  
You make my temperature rise, you're making me high  
Baby, baby, baby, baby

Can't get my mind off you, I think I might be obsessed  
The very thought of you makes me want to get  
undressed  
I wanna be with you in spite of what my heart says  
I guess I want you too bad, all I want is

Moonlight, with you there inside me  
All night, doing it again and again  
You know I want you so bad  
Baby, baby, baby, baby

Ooh, I get so high when I'm around you baby  
I can touch the sky  
You make my temperature rise, you're making me high  
Baby, baby, baby, baby

I want to feel, you're heart and soul inside of me  
Let's make a deal, you roll, I lick and we can go flying  
in ecstasy  
Oh, darling, you and me, light my fire, blow my flame  
Take me, take me, take me away
