Yeah, ho  
And we don't stop, no ma  
What's the problem? Always complain  
When there's chic's that are starving  
What type of game is this?  
I used to support ya, I thought ya'd appreciate  
Some of the things that I bought ya

Shoes from Milan, Luis Vuitton  
Animals arm bag  
And jewels in your arm  
Mamie, that's nothin'  
Moves with the dawn  
Loon a big fish  
Leave them fools in the pond

Just when I made up my mind  
I thought I put you all out  
You had your chance, you owned me  
What makes you wanna call now?

Can you try and tell me  
What made you choose her as your friend?  
(I told you it was a friend, baby)  
Just when I think you've given up, it's you again  
All I can say

Farewell my lonely one  
Nothing else you can deny  
(So hit the freeway)  
I don't ever wanna see you again

You didn't do me right so  
So long, goodbye, goodnight  
(So hit the freeway)  
Maybe in some other life  
I'll see you again

I would've bet the Dow Jones  
It didn't compare to our fun, yeah  
Imagine how crushing it was for you  
To say that I was not the one

(I didn't mean it, girl, sorry about that)

My friends say I was in denial  
Defending you as a perfect friend  
(You know I like you)  
Now new rumors have raisen up, it's you again  
All I can say

Farewell my lonely one  
(Farewell)  
Nothing else you can deny  
(So hit the freeway)  
I don't ever wanna see you again  
(Sing it, girl)

You didn't do me right so  
So long, goodbye, goodnight  
(Bye, bye, bye, bye, bye)  
(So hit the freeway)  
Maybe in some other life  
I'll see you again

(Bridge)  
But now that you left me  
Crazy you upset me  
You know you could have kept me  
But baby you didn't get me on

To finally discover  
Explore, uncover  
The world as we know it  
But you had to go and blow it

Damn it's been so long  
Since I heard your voice last time  
To be honest it made me smile  
When I seen your number  
(Hey baby, you know I miss you)

Baby, tell me what I should be  
Instead of being your friend  
(You know)  
And maybe someday in your dreams, my love  
You could say, "Damn it's you again"  
Now all I can say

Farewell my lonely one  
(Farewell)  
Nothing else you can't deny  
(So hit the freeway)  
I don't ever wanna see you again

(Don't wanna see you, baby)

You didn't do me right so  
(Didn't do me right, baby)  
So long, goodbye, goodnight  
(Bye bye)  
(So hit the freeway)  
Maybe in some other life  
I'll see you again
