And as I'm looking back on the past two years
It seems like I have conquered every fear
I ever had
Or thought would hold me back
But now we're standing on the edge and I just have to
ask

I don't regret a thing
And I won't forget a thing
And I didn't once pretend, did you?
Did you?

I never felt more free
I've never been more true
Never thought I'd see today with you
I didn't picture this
I wasn't looking right
And now I'm reaching for the things I left behind
But now I'm finally content
And sure as hell about all of it

The tears well up and I just can't help but smile
And I think about the way this took me by surprise
To see how far we've come
My only wish is that we would see the sun at the end of
all of this

And is it too proud to say
That I like who we became
And I guess
The growing up turned out to be OK

I never felt more free
I've never been more true
Never thought I'd see today with you
I didn't picture this
I wasn't looking right
And now I'm reaching for the things I left behind

Coz we're standing on the edge
And it's nothing less than perfect
Now I'm finally content

And I'm sure as hell about all of it

(Now I'm finally content)
(Sure as hell about all of it)
(Sure as hell about all of it)
(Now I'm finally content with it)
(Now I'm finally content with it)
(Sure as hell about all of it)
(Now I'm finally content with it)

The water shines
Sings to the sky
The sea spray
It stings my eyes
If I could stay I'd stay all night
I'd stay all night

I never felt more free
I've never been more true
Never thought I'd see today with you
I didn't picture this
I wasn't looking right
And now I'm reaching for the things I left behind
Coz we're standing on the edge
And it's nothing less than perfect
I couldn't ask for more, yeah
Every heartache was worth it
Now I'm finally content
And I'm sure as hell about all of it
