This is not something I'm proud of  
Not something I admit out loud but lately,  
We fight and I'm not sure what about

So don't ask me why I didn't call  
And don't pretend like I don't care  
When it's not like that at all

You know you know me  
Why are we fighting about being lonely?  
I am only 20 quick minutes away  
And I am holding onto the fact that I'll see you in the  
morning  
Sweet dreams my dear

No I won't let you say sorry  
'Cause I've never been more wrong  
To make you worry, I messed up  
I dragged it on

So when I ask you why you didn't call  
It's not that I don't think you care  
No it's not like that at all

You know you know me  
Why are we fighting about being lonely?  
I am only 20 quick minutes away  
And I am holding onto the fact that I'll see you in the  
morning  
Sweet dreams my dear, good thing tomorrow is here

Woah-oh-oh-oh  
Woah-oh-oh-oh  
Woah-oh-oh-oh

(Woah-oh-oh-oh) (woah-oh-oh) (woah-oh-oh)  
Sweet dreams my dear, good thing tomorrow is here,  
(Woah-oh-oh)  
Sweet dreams my dear

You know you know me

Why are we fighting about being lonely?  
I am only 20 quick minutes away  
And I am holding onto the fact that I'll see you in the  
morning  
Sweet dreams my dear, good thing tomorrow is here
