Do this like  
You said that you would  
You've got me turning pages  
When you read your book  
Stop it with your dirty, dirty looks  
Cause i've had it up to here  
With all your dirty, dirty looks

I've got an incoming call  
But do I pick up Cindarella  
And take her to the ball?  
This is the part  
When Beauty turns to Beast  
Attacks the boy, who used  
To stand on his two feet

This is the part  
When Beauty turns to Beast

Romeo dear Juliet  
We're both in love  
Try to accept  
That we're both in love

Do this like  
You said that you would  
You said I'd be loves trousers  
From I understood  
Girl, shoot me down in the foot  
Cause I'd rather that  
Than read your dirty, dirty looks

This is the part  
When Beauty turns to Beast  
Attacks the boy  
Who used  
To stand on his two feet

Romeo dear Juliet  
We're both in love  
Try to accept

That we're both in love

You're a heart breaker

Attention seeker

And all of the above

You love to thrive on the boys

You've got your cars and your toys

You love to thrive on the boys
