I'm wearing Black Dress to a White Wedding  
You don't look the same but you feel it in every other  
way

Stop! Am I still impressing you?  
And baby would you mind if I asked to undress you?  
So take it off and listen up, you've got a lesson to learn.  
About the birds and the bees sitting up there trees,  
Laughing at your silly smile.

I'm wearing Black Dress to a White Wedding (wearing  
black dress)  
You don't look the same but you feel it in every other  
way (what are you wearing)

Girl can I, pull up a stool at your bar?  
It looks like members only and that title seems so far  
away!  
So take it off and listen up, you've got a lesson to learn.  
About the birds and the bees sitting up there trees,  
Laughing at your silly smile.

I'm wearing Black Dress to a White Wedding (wearing  
black dress)  
You don't look the same but you feel it in every other  
way (what are you wearing)

You may kiss the bride  
If you really, really want her too  
And take her hand,  
In 40 years I'll L-O-V-E-Y-O-U.
