I knew I was a lucky boy, I knew right from the start
I knew you were the one for me when a beat went do do
doo in my heart
I knew I was a lucky boy, I knew right from the start
I knew you were the one for me when a beat went do do
doo in my heart

If this is what you need, this is what your going to get
from me
If this what you want
If this is what you need this is what your going to get
If this is what you want, then this is what your going to
get

You must have known you were a lucky girl, the mirror
need tell you no lies
You knew you were built for me from the early age of
almost five.
I knew I was a lucky boy, I knew right from the start
I knew you were the one for me when a beat went do do
doo in my heart

If this is what you need, this is what your going to get
from me
If this what you want
If this is what you need this is what your going to get
If this is what you want, then this is what your going to
get

This is what you'll get
This is what you'll get
This is what you'll get

I knew I was a lucky boy, I knew right from the start
I knew you were the one for me when a beat went do do
doo in my heart

If this is what you need, this is what your going to get
from me
If this what you want
If this is what you need this is what your going to get
If this is what you want

If this is what you want
If this is what you need this is what your going to get
If this is what you want
If this is what you want this is what your going to get
This is what you do to my heart
