Give me a kiss to build a dream on  
And my imagination will thrive upon that kiss  
Sweetheart, I ask no more than this  
A kiss to build a dream on

Give me a kiss before you leave me  
And my imagination will feed my hungry heart  
Leave me one thing before we part  
A kiss to build a dream on

When I'm alone with my fancies, I'll be with you  
Weaving romances, making believe they're true

Give me your lips for just a moment  
And my imagination will make that moment live  
And give me what you alone can give  
A kiss to build a dream on

When I'm alone with my fancies, I'll be with you  
Weaving romances, making believe they're true

Give me your lips for just a moment  
And my imagination will make that moment live  
Give me what you alone can give  
A kiss to build a dream on
