All I want for Christmas is you
You're the gift that made my dreams all come true
All I need for Christmas is here

Finding every sweet surprise wrapped up in your eyes
Waiting there for me underneath the tree
We'll spend the day exchanging kisses
Smile and say what a Christmas this is

Long before the snowflakes appear
Without bells or mistletoe
Or the tinsel's silver glow
You just look at me and oh Christmas is here

Long before the snowflakes appear
Without bells or mistletoe
Or the tinsel's silver glow
You just look at me and oh Christmas is here
